Will Austin
Town Clerk
Bridport Town Council

20th March 2025

Dear Will

RE: FOSS ORCHARD CAR PARK 'CK' – CHIDEOCK

We are writing following several adverse comments from residents and visitors regarding the loss of the 'CK' from the 'Chideock' sign at Foss Orchard Car Park.

At the time of the incident, I believe Daryl did suggest that a replacement or some other solution could be found to make the situation good.

For our part, we had thought that the privet bush would recover sufficiently enough for the 'CK' to be re-instated naturally, however this does not appear to be the case, and we fear that it could be many seasons before this can happen naturally.

With Summer and the tourist season very close the damage to the hedge will be noticed by more people which may have a negative impact on our village.

Would you kindly explore with Daryl any remedies that could be put into place, at least until the privet has recovered.

Thank you and we look forward to hearing from you.

Kind regards
Yours sincerely
Chideock Parish Council
