Dear Anna

RE: AIR QUALITY MONITORING

As you know the Parish Council has been liaising with Dorset Council with regards the setting up of the Air Quality Community Group, after some protracted correspondence about this they have come back to us earlier this week.

Their email said that they do not believe there is sufficient value in reconvening the meetings between themselves and a community group. They advise that should residents or councillors have specific questions on Air Quality they can be brought to Dorset Council via Darren Naraine, his email is [Darren.naraine@dorsetcouncil.gov.uk](mailto:Darren.naraine@dorsetcouncil.gov.uk).

They have provided additional links to Dorset Council plans for your information:

Chideock Air Quality Action Plan - <https://www.dorsetcouncil.gov.uk/w/air-quality-in-chideock>  
Annual Status Report - <https://www.dorsetcouncil.gov.uk/w/air-quality>

Let me know if I can help in any way with this.

Yours sincerely

Tan Cox  
Clerk - Chideock Parish Council
