

Chideock Parish Council

Mr Martin Cox

15th March 2025

Dear Mr Cox

RE: SPAR SHOP NOTICEBOARD

We are reviewing the parish council asset register and have the noticeboard located on the outer wall of the spar shop as an asset (ie: owned by us). However, speaking to your staff inside the shop it is thought that the noticeboard is owned by yourself, and we are writing just to clarify this point.

In the event that we do own it, the noticeboard will be formally adopted by the parish council and included on our insurance policy and form part of our fixed asset figure within our accounts.

We look forward to hearing from you. If you would kindly contact our Clerk – Tan Cox via email at chideockparishcoouncil@gmail.com we would be grateful.

Yours sincerely

Chideock Parish Council
